Newsletter No 3

Kia ora koutou,

It's been another busy couple of weeks. We have printed another 200 copies of our new booklet "Let's talk about Palestine/Israel" because of high demand (see later how you can get your copy) and our national chair, John Minto, is about to embark on a short visit to Oamaru, Timaru, Dunedin and Invercargill (see information later)

Meanwhile supporters around the country are beginning visits to their local MPs (see later how you can help here also)

One thing you can do right now!

Send an email to the Prime Minister urging her to use Rule 44 of the Government's Electronic Tender Service rules to abandon the proposal to purchase \$9 million in military equipment from Israel. Rule 44 says the government may exclude a supplier on the basis of "human rights violations by the supplier or in the supplier's supply chain"

Here's an example of the email you could send NOW to j.ardern@ministers.govt.nz

Dear Ms Ardern,
Please invoke government purchase rule 44 to cancel the proposed purchase of \$9 million in military equipment from Israel by the New Zealand Defence Force. The company providing the equipment, Roboteam, is an integral part of the Israeli Defence Force and provides equipment to support the illegal occupation of Palestinian land and the siege of Gaza. It is providing active assistance to the Israeli Defence Force in their human rights abuses such as the murder and maiming of unarmed Palestinian youth (16 killed so far this year) and the detention without trial of Palestinian children and minors.

Please respond urgently.

(Name)

Background: The NZ Defence Force have decided to purchase \$9 million in robots from Israeli company Roboteam.

The founders of Roboteam, Yossi Wolf and Elad Levy, both served as officers in the Israeli Air Force Special Forces before establishing Roboteam in 2009. They developed and supplied a robot to the IDF that was actively used in Operation Protective Edge, the sustained Israeli attack on the Gaza strip in 2014 involving numerous human rights abuses and war crimes committed against the civilian Palestinian population of Gaza (1,492 civilians were killed - 551 children and 299 women)

Rule 44 of the Government's Electronic Tender Service Rules say the government may exclude a supplier on the basis of -

“human rights violations by the supplier or in the supplier's supply chain”

Meanwhile recent [media reports](#) indicate the Roboteam products to be purchased by our Defence Force have been trialled by the Israeli Defence Force in its occupation of the West Bank and on the Gaza “border”. The tests were termed a “success”.

The IDF is renowned for its testing of military equipment on the civilian population of occupied Palestine. It is also renowned for its brutality – for example the murder and maiming of Palestinian children – 16 killed so far this year and its widely condemned detention without trial of Palestinian children and minors. In April this year for example 205 Palestinian minors were being held in Israeli prisons, without trial, as security detainees and prisoners.

If you haven't purchased one yet - buy a copy of our excellent small booklet of common questions and answers on the Middle East conflict.

Buy a copy for yourself and maybe a few to give to friends and family. Send your address in an email to bronwensummers@gmail.com and pay \$5 online for a single copy – includes post and packaging – add \$2 each for extra copies)

Do you know of Israeli products sold in New Zealand?

We are building a database of Israeli products made in New Zealand as part of the BDS campaign. If you come across any such products please let us know. Email secretary@PSNA.nz with the details.

Are you able to donate a cup of coffee a month to the campaign?

We will need some serious money to make our campaign as effective as possible. For example, we will need somewhere in the vicinity of \$25,000 to bring speakers to New Zealand over the next year and organise large public meetings to help spread the message.

You can help. Are you able to donate a cup of coffee a month to the campaign? In other words, **can you afford to make an automatic payment of \$5 per month to support the Palestinian struggle?** (If you can afford more that would be great!)
