Newsletter No 47

Kia ora

Thank you everyone for your marvellous efforts and actions in the past two weeks as Israel pounded Palestinians in Gaza, the occupied West Bank, occupied Jerusalem and Palestinian citizens of Israel itself. One of the unexpected outcomes has been a greater degree of unity across all Palestinians in their struggle for self-determination.

With the ceasefire last Friday, we must not let Israel go back to “business as usual” with its policies of racism, apartheid and brutality against Palestinians.

73 years of this abusive, appalling Israeli agenda has been allowed to continue only **because Israel has suffered no consequences for its actions.**

Our focus is to push the New Zealand government for meaningful accountabilities for Israeli policies.

Two quick things you can do right now!

1. Sign the petition to close the Israeli embassy. [The petition is on-line here](#) and is in English and Arabic or use the QR code here.

2. Share the petition on social media – [the FB event link is here.](#)

Here is the English wording for the petition

To the NZ House of Representatives: CLOSE THE ISRAELI EMBASSY

We, the undersigned respectfully request:

That in light of:

1. The most recent disproportionate brutal attack on the Gaza Strip by Israeli armed forces and consequent civilian deaths and injuries.
2. The expulsions of Palestinians from their homes in the Palestinian Occupied Territories to provide for Jewish-only settlements in violation of the Fourth Geneva Convention and international humanitarian and human rights law
3. The apartheid laws and practices which discriminate against Palestinian citizens of Israel
4. The refusal of Israel to allow the return of Palestinian refugees to their land and homes in Palestine as demanded by United Nations General Assembly Resolution 194 in 1948.
5. Israel's complete ignoring of calls from the international community for Israel to comply with the terms of international law as outlined in UN Security Council Resolution 2334 cosponsored by New Zealand in 2016.

That the House of Representatives urge the government to immediately close the Israeli embassy in Wellington and sever all diplomatic relations with the State of Israel as New Zealand did in 2004.

Celebrating another marvellous day of nationwide support for Palestine – 22 May 2021

Here are a few photos from some of the 11 rallies and marches around the country on 22/23 May.

Rawene (yes – that tiny place on the Hokianga Harbour full of wonderful people)

Auckland

About 2,500 marched down Queen Street to the US Embassy in Customs Street. A high energy event with a wide range of amazing speakers calling out Israeli racism and brutality.

We can all tell Israel, and their supporters here in New Zealand, that the 65 Palestinian Children were Not Numbers!

Also in Auckland later in the day a vigil organised by Dayenu: New Zealand Jews Against the Occupation was held – it included a Palestinian tribute to the 66 children killed by Israel's heavy bombardment of Gaza.

Hamilton

Hamilton beats everyone for visibility – occupying a major intersection in Hamilton with banners, placards and flags on every corner and down the road. The photo shows one corner.

New Plymouth

Napier

A small but growing, event on event, crowd gathered to fly the Palestinian Flag

Palmerston North

No photo

Wellington

Wellington Palestine members marched to the Israeli embassy and read out the names of all the children who died in the latest bombardments. They left a pair of children's shoes to honour each of the children killed in the bombardments.

Christchurch

Over 400 people rallied and marched in Christchurch from under the Bridge of Remembrance. It was a lively energetic march with several youngsters taking over to lead the chanting.

Dunedin

A march of some 250 from the Museum Reserve to the Octagon – and back again! Lots of badges sold and new names collected.

University of Auckland – Students for Justice in Palestine - Launch

More than 80 people attended to hear:

- 2 Palestinian speakers
- A talk by an “International” who went to Palestine to walk with Palestinian kids to keep them safe from attack on their way to school.
- The Secretary of PSNA giving an overview of his journey from being a blind supporter of Israel through Ignorance to finding out the truth and moving to back Palestinian Human Rights, PSNA, GCHR, Recognising Palestine as a state and the Petition calling for closing the Israeli embassy.

The evening ended with a shared meal provided by members of the Palestinian Community in New Zealand.

What was particularly moving was the memorial on one side of the hall to the 65 children killed by Israel.

Then the image as if they had lived to attend a University – They would have filled 1/3 of the lecture theatre:

Donations still needed for the Gaza Centre for Human Rights which has been targeted and destroyed by Israel

Since we publicized this appeal in our last newsletter over \$6,000 has been donated – we'd love to get over \$10,000 to help the center get on its feet again and collect evidence for war crimes prosecutions from the latest Israeli outrages.

Can you make a donation? – account details are below

Here is the background to the appeal from our last newsletter:

The offices of the Gaza Centre for Human Rights have been targeted and destroyed by a missile from an Israeli fighter jet.

New Zealander Julie Webb-Pullman has been working for the Centre for several years as an international expert on gathering evidence of Israeli war crimes against Palestinians in Gaza. (Julie is currently waiting to return to Gaza after being delayed in New Zealand through Covid 19)

So far the Centre, under Julie's guidance, has sent over 2,000 claims of war crimes relating to Israel's attack on Gaza in 2014 and its targeting the Great March of Return protests in March 2018.

Earlier this year the International Criminal Court made the formal announcement that they are opening an investigation into allegations of grave Israeli breaches of International Humanitarian Law. Israel is furious and has tried to stop the investigation.

Now Israel has seized the opportunity to hit back with missiles from an Israeli fighter jet. The Centre is making an appeal for funds to get back up and running and PSNA is coordinating fundraising here.

This is a message from Julie describing the photo and the damage.

I would really appreciate it if you could also appeal for funds for Gaza Centre for Human Rights - our offices were directly targeted and destroyed a few days ago. We need to replace printers, photocopiers, furniture etc.

Our electronic backup files are safe, but all of the original documents have been destroyed.

Attached is a picture of the destruction - our offices were on the third floor, the translators' office is the one with the blue wall, my office is at the front. Was.

Like almost every building in Gaza, it is a mixed residential and office tower.

We expect the New Zealand media will report on this and the government will condemn outright this bombing of a human rights organisation.

Are you able to donate a cup of coffee a month to the campaign?

We will need some serious money to make our campaign as effective as possible. For example, we will need somewhere in the vicinity of \$25,000 to bring speakers to New Zealand over the next year and organise large public meetings to help spread the message.

You can help. Are you able to donate a cup of coffee a month to the campaign? In other words, **can you afford to make an automatic payment of \$5 per month to support the Palestinian struggle?** (If you can afford more that would be great!)

In Occupied Palestine daily newsletter – an invitation to subscribe from Leslie Bravery

Because of mainstream news media complicity, daily headlines and commentary only occasionally ever mention the relentless Israeli violence in Palestine, not even the frequent air strikes!

However, daily news and statistics regarding the violence Palestinians are forced to live under are regularly reported on in the “In Occupied Palestine daily newsletter”, sourced and compiled for easy reading and correlation chiefly from the Palestinian Monitoring Group's daily situation reports.

The “In Occupied Palestine” daily newsletter continues to be circulated, by email, worldwide to subscribers only, as it has been over the last two decades.
