Kia ora Supporter,

Adopt an Investigator! (The fundraising proposal behind Julie's visit)

Although investigators work in pairs, with one female and one male, The Gaza Centre for Human Rights hopes that the generosity of kiwis will fund at least one investigator position for one year, at a cost of \$6,000 USD. Julie will be fundraising throughout the country to try to raise this. We are hopeful our friends across the ditch will fund the other position, if we are not able to manage it from New Zealand.

Julie and Yousef's work on war crimes in Gaza has been published in [The Lancet](#), and presented at international conferences, the most recent being a poster presentation on developing international guidelines for evidence collection in conflict zones. (Attached) They welcome further collaboration with other scientists, researchers and academics for future publication and presentation.

Dr Salman Abu Sitta's visit

As we have detailed previously Dr Abu Sitta, well-respected academic, author and member of the Palestine National Council, is coming to New Zealand next month for a two day visit to Auckland and Wellington.

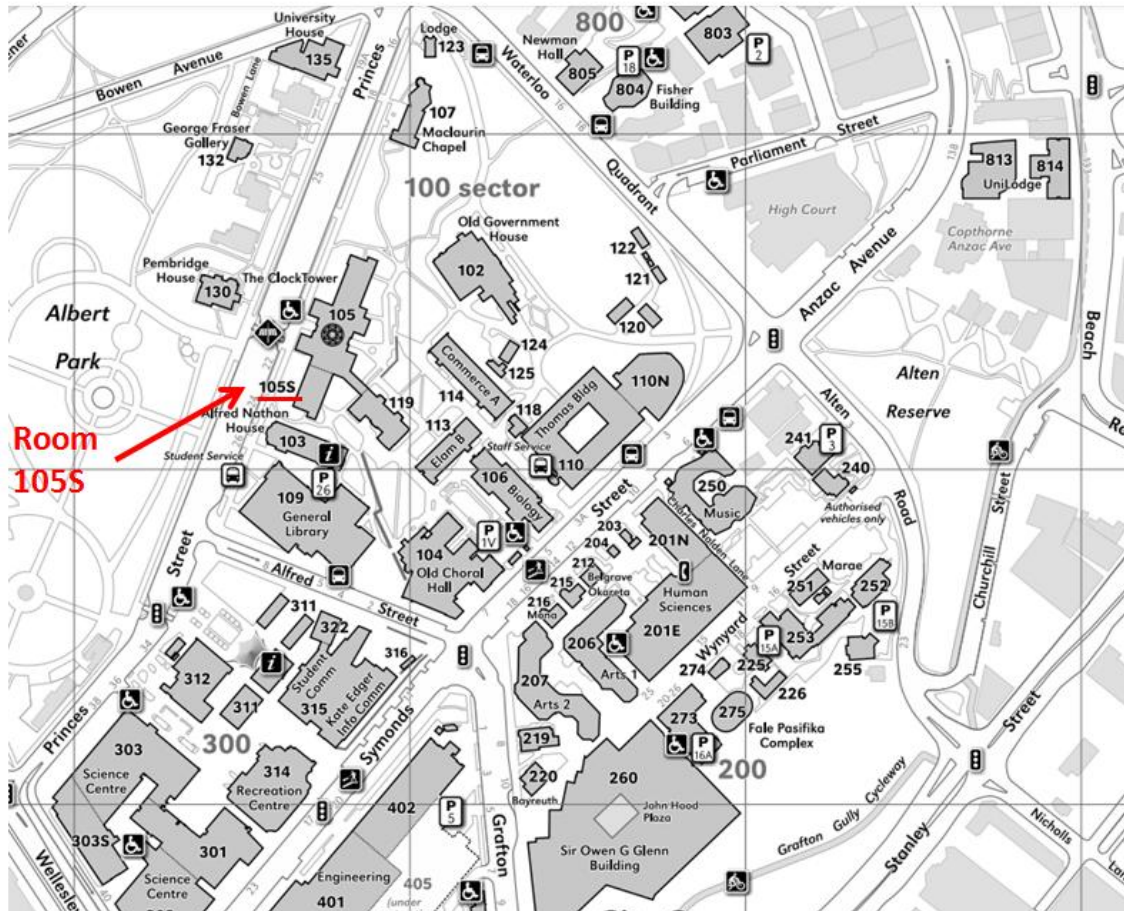

On his visit here he will be meeting with MPs and various government officials in Wellington and will deliver a lecture in Auckland.

The Auckland lecture will be on

Update - Debating with Dr David Cumin

V

The debate between PSNA National Chair John Minto and the Israel Institute's Dr David Cumin is on **Thursday, 3rd October at 7pm** at Auckland University in the Owen Glenn Building off Grafton Road Room OGGB5/260-051. The event will also be livestreamed on The Daily Blog <https://thedailyblog.co.nz/>

The debate came about after John challenged Dr Cumin to a debate (via the letters section in the Press newspaper) after Cumin claimed the Middle East situation was very complicated. It is common for Zionist supporters of Israel to claim the situation is complex – it's a key tactic they use to discourage people from criticising Israel.

Delegations to Members of Parliament

We are well underway with visits to MPs around the country but we have many holes still to fill! Are you able to organise a delegation of two or three people to speak with your local MP and deliver a copy of the "Let's talk about Palestine/Israel" booklet?

If you can, please email secretary@PSNA.nz your local MP's name. We are aiming to cover all MPs with a visit over the coming six months. Please let us know and we will send you the details of the points that need to be raised with MPs and a copy of the booklet.

3rd Reprint - If you haven't purchased one yet - buy a copy of our excellent small booklet of common questions and answers on the Middle East conflict.

We are on our third reprint of the booklet.

It's not too late to be part of the important campaign to stop New Zealand military imports from Israel.

Yes, we are still driving this important campaign to make New Zealand an Israeli military free zone.

Send an email to the Prime Minister urging her to use Rule 44 of the Government's Electronic Tender Service rules to abandon the proposal to purchase \$9 million in military equipment from Israel. Rule 44 says the government may exclude a supplier on the basis of "human rights violations by the supplier or in the supplier's supply chain".

Here's an example of the email you could send NOW to j.ardern@ministers.govt.nz

Dear Ms Ardern,
Please invoke government purchase rule 44 to cancel the proposed purchase of \$9 million in military equipment from Israel by the New Zealand Defence Force. The company providing the equipment, Roboteam, is an integral part of the Israeli Defence Force and provides equipment to support the illegal occupation of Palestinian land and the siege of Gaza. It is providing active assistance to the Israeli Defence Force in their human rights abuses such as the murder and maiming of unarmed Palestinian youth (16 killed so far this year) and the detention without trial of Palestinian children and minors.

Please respond urgently.

(Name)

Background: The NZ Defence Force have decided to purchase \$9 billion in robots from Israeli company Roboteam.

The founders of Roboteam, Yossi Wolf and Elad Levy, both served as officers in the Israeli Air Force Special Forces before establishing Roboteam in 2009. They developed and supplied a robot to the IDF that was actively used in Operation Protective Edge, the sustained Israeli attack on the Gaza strip in 2014 involving numerous human rights abuses and war crimes committed against the civilian Palestinian population of Gaza (1,492 Palestinian civilians were killed - 551 children and 299 women)

Rule 44 of the Government's Electronic Tender Service Rules say the government may exclude a supplier on the basis of -

"human rights violations by the supplier or in the supplier's supply chain"

Meanwhile recent [media reports](#) indicate the Roboteam products to be purchased by our Defence Force have been trialled by the Israeli Defence Force in its occupation of the West Bank and on the Gaza "border". The tests were termed a "success".

The IDF is renowned for its testing of military equipment on the civilian population of occupied Palestine. It is also renowned for its brutality – for example the murder and maiming of Palestinian children – 16 killed so far this year and its widely condemned detention without trial of Palestinian children and minors. In April this year for example 205 Palestinian minors were being held in Israeli prisons, without trial, as security detainees and prisoners.

Are you able to donate a cup of coffee a month to the campaign?

We will need some serious money to make our campaign as effective as possible. For example, we will need somewhere in the vicinity of \$25,000 to bring speakers to New Zealand over the next year and organise large public meetings to help spread the message.

You can help. Are you able to donate a cup of coffee a month to the campaign? In other words, **can you afford to make an automatic payment of \$5 per month to support the Palestinian struggle?**

(If you can afford more that would be great!)

Victoria University: Shut Down Unethical Israeli Prize

<https://www.change.org/p/victoria-university-of-wellington-victoria-university-shut-down-unethical-israeli-prize>

Why is this important?

Victoria University of Wellington has refused to remove an essay prize funded by the Apartheid government of Israel. The prize is insulting to the university's own Palestinian students who have been forced from their homeland by the Israeli government.

The Embassy of Israel Prize of \$250 is awarded to one student per year on the merit of an essay on one of the given topics - including "Israel in the Middle East", "Israel's bilateral relations with its neighbours", and "Israel's democracy in the context of the Middle East".

This prize is unethical because the Israeli government is guilty of building illegal settlements in Palestinian territory, preventing the flow of essential resources, and denying Palestinians the right to vote. It is a regime akin to Apartheid South Africa.
